

kepler::Interpreter
::interpret

```
graph LR; A[kepler::Interpreter::interpret] --> B[kepler::ASTNode::accept]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a light gray color and contains the text 'kepler::Interpreter' on the top line and '::interpret' on the bottom line. The right box is white with a thin black border and contains the text 'kepler::ASTNode::accept'. The blue arrow originates from the right side of the left box and points directly to the left side of the right box.

kepler::ASTNode::accept
