

kepler::max\_length  
\_contiguous\_segment

```
graph LR; A[kepler::max_length_contiguous_segment] --> B[kepler::split]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'kepler::max\_length' followed by '\_contiguous\_segment' on the next line. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box contains the text 'kepler::split'.

kepler::split
